

EL LIBRO AMARILLO

EL LIBRO AMARILLO

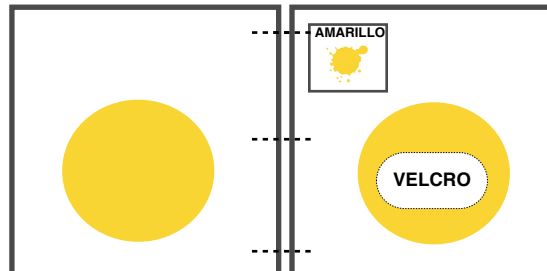

Objetivos: Trabajo autónomo, aprendizaje del color amarillo y las formas geométricas.
Material teacch: de izquierda a derecha y aprendizaje sin error.

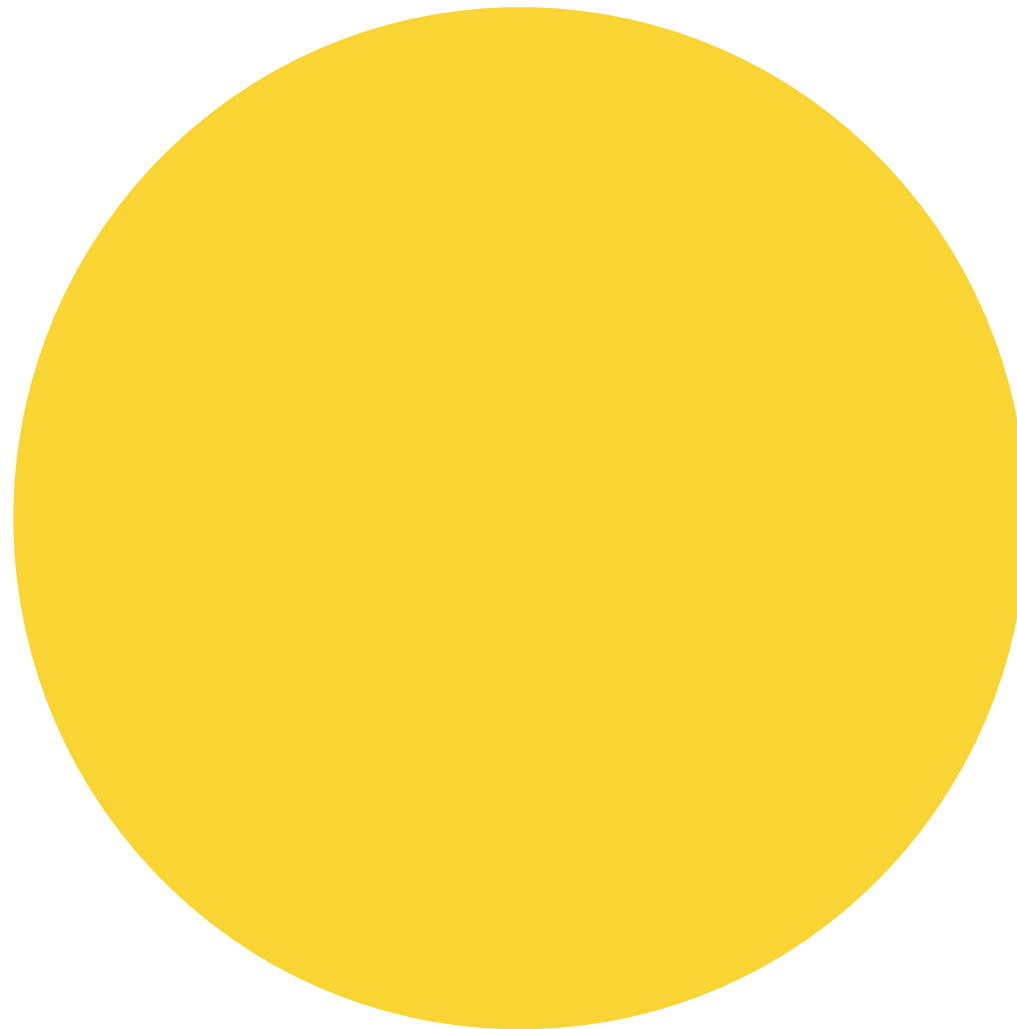

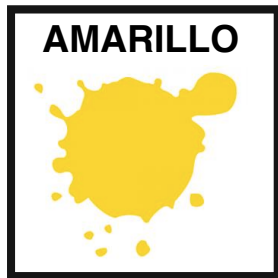

Montaje:

Las hojas con pictograma AMARILLO y la figura geométrica se trata de las plantillas. Las plastificamos y ponemos velcro sobre cada forma geométrica.

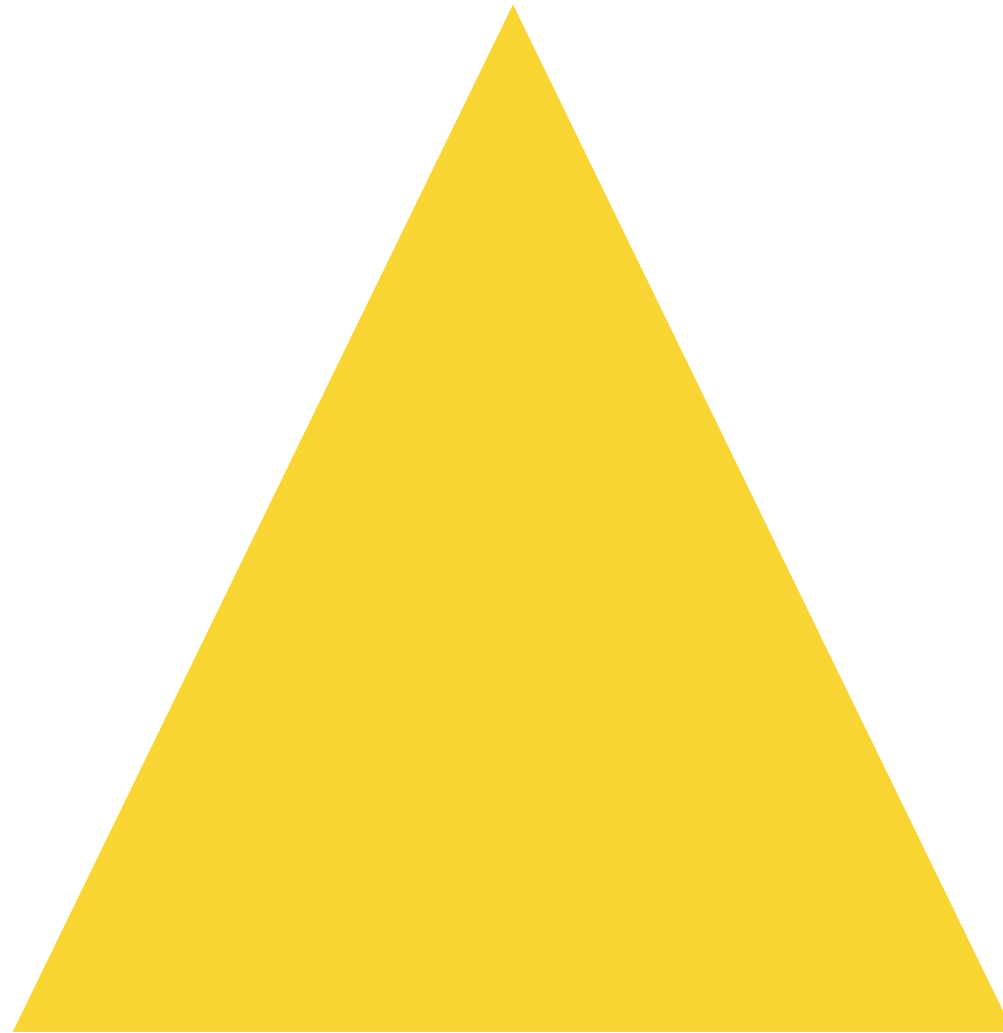

Las hojas sólo con las figuras geométricas son los recortables (pictograma de recortar).
Recortamos cada figura geométrica, las plastificamos y colocamos en la parte trasera velcro.

Encuadernamos el libro y en cada parte trasera de las hojas pondremos velcro para poner las figuras recortadas.
